

PROPERTY SOLUTIONS

Outsource your Window Upgrades to STRATCO for Energy Efficiency Incentives

- As NYC's premier incentive advisory firm, STRATCO want to process your Window Rebate applications for you.

WE DO THE WORK, YOU GET THE REWARDS

Replacement rebates are available for higher efficient windows, throughout New York City.

Program Requirements

- The Program requires that the new windows must perform better than existing and must comply with the energy conservation code.
- Must run on gas or electric source.

Rebates are only available for jobs that have not begun yet.

STRATCO'S ADVANTAGE:

1. Outline Qualifying Windows
2. Application Preparation
3. Provide Dedicated Customer Service to the Property Owner
4. Full Time Dedicated Contractor Support
5. Coordinate Incentive Processing With Program Provider
6. Quality Assurance and Quality Control Management
7. Incentive Optimization
8. Operate on a contingency basis; we get paid when you get paid

STRATCO is NYC's premier performance based advisory firm for obtaining government rebates. We specialize in getting energy efficiency rebates for new development projects and existing buildings all throughout the State.
